Thank you, Marge!

Your CIA Newsletter editor, Marge Lienhard, has stepped away from her computer after fifteen years of volunteer service. Many thanks, Marge!

The CIA Newsletter crew welcomes Michol Ann Jensen as editor of the newsletter.

The newsletter has been delivered to the towns of Potlatch, Princeton, Harvard and Viola for the past 18 years and has grown throughout the years. We currently send out 1,908 newsletters monthly to the households in those towns. The editor is the hub of this effort to publish the newsletter. We couldn't do it without such great volunteers that donate their time and energy. We thank Marge immensely for her years of service and thank Michol Ann for joining us in the effort to keep the newsletter going.

Many thanks to our advertisers for supporting us as well. The newsletter is able to be delivered free of charge because of their advertising. We thank ALL of them for their continued support.

Our Schools

As we head into June, we need to take a moment and celebrate the accomplishments of our Spring athletes. We had representation at State Track, Softball, and Baseball. Here are the results:

Lady Logger Softball: 4th place finish

Logger Track: Kathryn Burnette - State Champion in Shot Put and 5th Place finish in Discus

Logger Baseball: State Champions

Congratulations to all the athletes involved! Thanks also to our coaches for their work with these athletes! Softball: Dean Butterfield and Shy Lynas; Track: Hiedi Carpenter and Conner Weygint; and Baseball: Trent Baysinger and Cole Thompson.

June also brings a final celebration for our seniors. Graduation marks the time where our seniors “commence” into their lives. Did you see the pictures of our seniors on banners as you drive through Potlatch? Thanks to the senior parents for honoring our graduates this way - it is fun to see their smiling faces. This year’s graduation is scheduled for June 1 at 10 a.m. with a parade

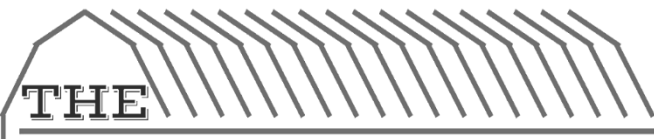

down Sixth Street just prior. Come out to cheer on our graduates!

Idaho Public Television reached out to our STEAM (Science, Technology, Engineering, Art, and Math) teacher, Karen Rohn, about having Potlatch students help with a new podcast project. “Lyla in the Loop” is a new show in which Lyla, Stu, and her family work together to solve a problem and brainstorming many solutions. They ask kids from the “audience” to give them ideas on how to solve those problems. Members from PBS came and interviewed some Potlatch 2nd graders. They presented students with scenarios and asked them to give advice. Episodes of the podcast will air this summer. Stay tuned to hear the advice our Potlatch kids gave!

The June Coffee with the Superintendent is scheduled for June 10th at 9 a.m. Michael Montgomery will be joining me at Cody Jo’s Wagon Wheel. We would love to visit with you there.

FMBE 4-H meeting was on May 14th. Lucy led the American flag salute; Jessica led the 4-H pledge.

Leader Joe said there is an upcoming swine meeting and he is hosting an electricity meeting on May 28th. Leader Shane said there is Horse Judging on Saturday, May 18th.

Members reported on the highway cleanup on April 27th. We had 18 bags of garbage that were picked up by 37 volunteers.

We were reminded to pay our dues and Edie said there are enough

volunteers signed up from our club to help the PTO put on the Kids' Carnival at Potlatch Days.

We discussed a club fundraiser and voted to do a carwash and bake sale in July.

Edie reported on the Fair Exhibitor meeting that she attended. She said to work and train our animals daily and to watch current showing and care techniques at other shows and online. A trained, controlled animal creates a safer environment at the fair. Please attend showman clinics to learn more.

Register for the fair at the fair web page after you weigh in your animals.

Register for 4-H camps now on Zsuite. Teen camp -STAC- is June 24-27. Youth camp for 8 yrs -7th graders will be July 12-15 at Camp Sanders. Market swine project members weigh in their animals on May 29th and lambs weigh in on July 8th, both at the fairgrounds.

Eight members gave their demonstrations, great job! We learned how to saddle a horse with a real horse at the meeting; what to put in a pig show box; what to feed your bunny; different cuts of

pork and how to cook them; and navigating in a show ring with a steer.

The fair will be here before we know it, so let's be ready! Just a couple more weeks and it's summer vacation! Hope everyone has a great month and take care.

Our the next meeting is on June 12th at the Palouse River Community Center in Princeton, ID.
