Support Victims of Texas Ridge Wildfire in Idaho

by David Dalby, organizer

The Texas Ridge wildfire in Latah and Nez Perce Counties, Idaho has destroyed five residences so far. We don't know their exact needs as of now as the situation and the fire are still developing, but even with insurance, it is emotionally and financially demanding for people to recover and start their lives again.

All donations received will go to families impacted by this emergency. Please consider contributing what you are able to help, and keep the impacted community in your prayers. Thank you! <https://gofund.me/6d6a185b>

THE ENCHILADAS ARE COMING AGAIN SOON!

The Palouse River Community Center in Princeton will have our enchilada fundraiser at the end of September to benefit the community center.

The enchiladas are in trays, precooked for you to heat and enjoy at your home, or to freeze for later. More details in next month's newsletter.

THANKS Y'ALL!

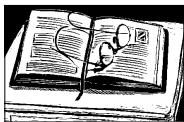

Thank you to our major donors: Latah Realty, Source Electric, The Stronghold, Fletcher Sauce, Steve's Extreme Excavation, RB Cattle, Atlas Sand & Rock, Sunshine Disposal, First Step Internet, Latah Credit Union, Avista, Gritman Medical Center, Floyd's Harvest Foods, JECO Supply, Moore Broz and of course, the City of Potlatch.

And "Thanks" to all of you who attended, helped, assisted and participated in the 2024 festival.

Notes of thanks

☞ The family of David Goucher thanks everyone for joining us in celebrating David's life, and for sharing their stories, great food, hugs, and love. David will be greatly missed, but the love shown that day helps. Your presence, cards, flowers, donations, kindness, thoughts, and prayers were needed and so appreciated by us all.

We give special thanks to our Potlatch Ambulance crew and the Latah County Sheriff's officers. They went above and beyond for David and Ethel every time they were needed. Even afterward, their texts and calls to make sure David or Ethel were doing okay shows how much our community is blessed by their presence and dedication.

We are all so grateful for all the support shown to us during this difficult time.

Thank you! Ethel, Diana & Ernie, Rick & Leanne, Jim & Nikki, and Families

☞ To the friends and neighbors of Milton Moore, We are grateful for your acts of kindness. The delicious food you brought to share provided support. Those who attended his memorial provided hugs, laughter, and stories that helped to ease our loss. Your cards and prayers gave us comfort. The donations made to the community center on his behalf are extremely generous. Although he will be missed, we know that he lives on in our hearts.

Thank you,
 Bev Moore, Alan & Sherry Moore, Kenny Moore, Kathy & Paul Davis, David & Sharon Moore, Danny & Jacque Moore and Families

☞ From Bill Rupp & Lois Blair, proud and thankful members of our wonderful community.

On June 26 at 4 p.m. I was working on the Guernsey Cutoff property that my wife, Lois Blair, and I enjoy. Immediately after exterminating a hornet nest, I was stung twice on my neck and arm, followed by dimming vision, (thought to be initiated by proximity to my jugular vein/carotid artery). In an attempt to get to my wife and our house in my side-by-side, I rolled the ATV. Lois called 911. Donny Deerkop was driving by, noticed the overturned ATV, and stopped to assist by removing the windshield and helping me out. Rich Moore also saw the commotion and stopped to help, followed by EMT Trainee Miranda Dettwiler. Deputy Harkins of Latah Co. Sheriff's Department arrived and provided first aid. Neighbors Michelle and Curly Ely arrived soon thereafter, followed by the Potlatch Ambulance driven by Kent Chambers with EMT Mike Gilmore.

We want to acknowledge ALL the participants in my rescue and thank them publicly for helping me in my time of need (of which I have NO recollection). We have so many things to be thankful for since relocating to the Potlatch/Princeton area and this certainly tops the list.

As a follow-up, I was home from Pullman Regional Hospital by 9 p.m. with a few bumps and bruises, after an excellent evaluation and release. **HAPPY ENDING AND THANKS TO ALL LISTED INDIVIDUALS.**

Improving Arm Function After Stroke using Wearable Exoskeletons

Study purpose:

To collect data on arm function during arm movements with and without the use of a wearable assistive device in individuals with neurological impairment between the ages of 18 and 85.

To evaluate if a wearable assistive device encourages more use of an impaired limb at home.

Who can participate in the study?

You must have had a stroke at least 6 months ago that affected arm mobility and be in a stable condition with mild to moderate impairment in the stroke-affected arm. Women must not be pregnant at the time of participation.

Why should I consider participation?

With your help, we may be able to dramatically increase time spent retraining arms and hands with long-term impairment by increasing their ability to be reincorporated into everyday tasks at home.

How long will I be in the study?

You will be involved in two 1-hour sessions. You can choose to participate in two additional (less than 1 week) phases at home to collect arm usage data. You may stop your participation in this study at any time.

What do I have to do?

- Attend an initial 60-minute intake visit.
- Wear activity trackers on both wrists at home for up to a week and log general activities and arm use.
- Attend a second 60-minute session during which you will participate in experiments with a portable arm support device.

Is there a cost to participate?

There is no financial cost to you to participate in the study. We provide \$50 as compensation for your potential travel expenses and time.

The Gamebird Foundation News

Upcoming chick information: Last month we reached the end of chick distribution for the remainder of this year.

Currently, maintenance feed is available for those who are raising chicks. Please contact Bret to arrange pick up at 208-669-2646 as he may have limited day and time availability.

Upcoming Events: Look for us at the fair this September at the Latah County Fairgrounds! We will have raffle tickets and more information on winning pork with a freezer. Don't miss out!

Opportunities to help our community: Please keep looking for opportunities to help volunteer with grinding

the feed for chick raising. We sure appreciate those who give their time to help, so please consider signing up on our email list to become a member and/or keep up with upcoming events and volunteer opportunities.

The Gamebird Foundation is a 501c3 Non-Profit Corporation and becoming a member is only \$25/year for the entire family. Your donation can be claimed as a tax deduction, so visit us at thegamebirdfoundation.org to learn more. Or join us at our next meeting at the Farm Bureau building, 220 Farm Rd., Moscow, ID at 6 p.m. on Aug. 1. Hope to see you all there!

Our Schools

Potlatch Days have come and gone. That means the 2024-25 school year is right around the corner. Summertime is when our staff recharges to get ready for the next school year and it is also a time when they attend workshops and learn strategies to implement in their instruction. Staff has attended, or will attend, the iSTEM Institute, the Vandal Literacy Symposium, Project Learning Tree's forestry and natural resources workshops, the Idaho Department of Education's Early Literacy and Dyslexia Conference, Professional Learning Communities at Work Institute, PLCs and Your Small School Workshop, The Idaho CTE Connect conference, and Teach Like a Champion, just to name a few.

We have a few changes in teaching assignments for the 2024-25 school year.

Brand new staff: Melinda Cross will be our new CTE Agriculture Education Teacher and FFA Advisor. Christina Petrie will be our new Jr/Sr High School Social Studies teacher.
Staffing Shifts: Katie Ball will shift from Elementary PE to Jr/Sr High School PE and Health. Kim Kempf will shift from paraprofessional to Grade 7-9 English Teacher. Hayley Daily will shift from kindergarten to 1st Grade.

We also have a couple of curriculum resource changes at the Jr/Sr High School for next year. Mr. Richards put together a curriculum committee to review Health and Social Studies resources. Thanks to Amber Weber, Brittany Sawyer, Jenna Mitchell, Lisa Spinelli, and Wendy Bouma for being a part of this committee. Mrs. Ball will have updated Health textbooks for 8th grade and 10th grade Health from McGraw Hill and our Social Studies teachers will have an updated resource from

Discovery Education. I'm sure you are wondering what funding was used? Health textbooks were purchased with general funds (Jr/Sr High School textbook line item) from the 2023-24 budget. For the Social Studies resource, I applied for Digital Content and Curriculum funding from the Idaho Department of Education and was just granted those funds.

In last month's CIA, I shared that the Board began a discussion about cell phone use in our classrooms. Because we have 1:1 devices, there is no longer an instructional need for student-owned devices in classrooms. At the July Board meeting, the Board passed the new revised policy concerning student-owned smart devices. This school year, student-owned devices will not be allowed in classrooms. The purpose of this change in policy is to remove a student engagement barrier. We want all students to be engaged in instruction and be free from distractions. You can find more details about this policy and how it will be implemented on our website and in the Jr/Sr High School, and elementary, student handbook.

The August Coffee with the Superintendent is scheduled Aug. 6 at 8 a.m. at Red Fir Coffee Shop and Boutique. Jessica Scholfield will be joining me. There isn't a formal agenda for Coffee with the Superintendent. Those who come and participate set the topic. We look forward to seeing you there.

FMBE 4-H

Our meeting this month was on July 10. Look for us at Potlatch Days helping with the PTO booth/Kids Carnival. We plan to have our annual car wash fundraiser July 25 from 12-6 p.m. at the Coleman Oil station. Stop in. We would love to wash your car.

Joe Stanley will be holding electrical meetings for anyone who is interested in taking an electrical project.

All market animal projects are in progress. The swine weighed in in June. The sheep project weighed in on July 8. Fair participants need to register their animals and camper before the Aug. 16 deadline at www.latahcountyfair.com/p/fair/register.

There will be a county horse show on Aug. 10 at Cayuse Kids Arena in Princeton, ID. The public is welcome to come and watch.

Fair Fun Days will be on Fridays in August again this year. A clinic will start at 6 p.m. and a practice show at 6:30 p.m. in the following order: Aug. 9- Beef, Aug. 16- Swine, Aug. 23- Sheep & Goat, and Aug. 30- Rabbit & Poultry.

Get your record books started and include a growth chart for bonus points this year.

Fifteen members gave their presentations.

We are planning a pool party and potluck for August.. The FMBE 4-H club pool party will be on Sunday, Aug. 4 from 12:30-2 p.m. with their regular August meeting to follow.

Have a great summer! Ellie Ownbey- FMBE 4-H Treasurer

I want to give a huge shout out to Ellie for taking over as reporter this month while I was out of town. Thank you so much Ellie, you're the best! Gabriella Scalzo - FMBE 4-H Reporter
